BUHLER AND PEARSON COLLECT LARGE SUM FOR BAND.

ARE ELATED OVER START

Feel That Balance of the Sum Needed To Keep Military Band Will Be Given Readily.

W. C. Pearson and Charles Buhler, the two members of the committee appointed by E. E. Williams to collect money for the purpose of keeping the Fourth Regiment band here, worked a few hours yesterday afternoon and stowed away the neat little sum of \$500 in the treasury. Every business house visited showed the greatest inclination to support the band and the committee is highly elated over its success. The members feel that the money to pay Bandmaster Maulding and his son Harold, will be raised in a short time.

The following business concerns have contributed:

Farmers Trust Company, Nodaway Valley Bank, First National Bank, Real Estate Bank, D. R. Eversole & Son, Alderman-Yehle Dry Goods Company, H. L. Raines, N. Schumacher, F. P. Reuland, Curfman Lumber Company, Remus Mercantile Company, New York Candy Kitchen, Bee Hive Shoe Store, Corwin-Murrin Clothing Company, F. P. Robinson, Holmes Jewelry Company, J. C. Kessler, Hudson & Welch, August Stapler, Maryville Furniture Company, Barmann Auto Company, Kuchs Bros. Jewelry Company, Empire Theatre, Maryville E. L. & P. Company, Pearson's Pharmacy.

BEST TAX COLLECTOR EVER

Dave Reynolds of Washington Township, Got All But \$9 of What Was Owed to the County.

When Dave Reynolds, the good natured tax collector of Washington township, came to Maryville the other day to have the county court examine his books, he wore a pleased look and Judge Blackford of the county court had a smile as broad as the rim of that good old black hat with which he drapes his countenance. To tell the truth, Dave had the goods and he showed his wares to the court. He had made a clean sweep of the real estate tax of his township and had gotten all but \$9 of the personal tax. A few small fry had gotten away from Dave's hook, by moving away, dying, etc. It is believed that this is the record collection for Nodaway county, at least for many years. Reynolds has been collector of Washington township for four years. He is a Spanish-American war veteran and should your Uncle Sam again need his services, private Reynolds can be found at his usual place of abode until the first call comes and then again the old flag, the old camp life and everything else that may happen along. "Washington, first in war, first in peace," and Reynolds first in taxes.

NEW PAMPHLETS ISSUED

2,000 Folders On Civic Beautification Ready for Distribution in the Maryville Homes.

The third neighborhood meeting of Maryville beautifiers was attended by a large number at the home of Miss Lucie Davis last night. The stereopticon lecture by Prof. C. C. Leeson and the talk by Secretary Claypool were enjoyed by those present. A round table discussion on the various methods of successful planting followed.

In connection with the movement for home beautification the committee has issued 2,000 pamphlets treating with the selection of suitable shrubs for planting. These pamphlets will be available at the Maryville Public Library, at the Commercial Club office, at the Schools, at the court house and at the City Hall. They contain a short discussion of Civic Beauty, a resume of the principles of ornamental planting, a list of hardy plants for the permanent ornamentation of the home grounds, and a list of common perennials that may be started from seed. The list of literature on Ornamental planting at the City Library is also printed on the folder. It is the aim of the Beautification committee to place one of these folders in every Maryville home, so that the spring planting will be started according to the most approved principles.

Miss Langan Gives Resume of Books On Gardening For the Benefit of Home Owners.

Miss Grace Langan, librarian, has prepared a review of the new garden books in the Maryville Public Library in order to inform the persons interested in gardening on the contents of the books. Here is the list:

Baker, T., "Yard and Garden." A good, general, popular treatment of the planting and care of trees, shrubs, plants and vines in the small grounds of a town or city home.

Bailey, L. H., "Manual of Gardening." Authoritative, practical handbook for amateurs; well illustrated. Gives growing of ornamental plants, classes of plants, and lists. Also the growing of the fruit and vegetable plants, and the protection of plants from things that prey upon them.

Robinson, C. M., "The Improvement of Towns and Cities." Gives general statement of problems of civic esthetics and the known ways of solving them.

Farwell, P. T., "Village Improvement." Meets the demand for practical up-to-date information on the organization, methods and proper activities of village improvement associations, by giving a straightforward account of the organization and special achievements of such associations throughout the country. The author is chairman of the village improvement committee of the Massachusetts Civic League.

Maynard, S. T., "Landscape Gardening as Applied to Home Decoration." Treats the garden as a setting for a home, rather than for its intrinsic beauty. Plans for walks, drives, vistas, arbors, etc., and lists of shrubs and flowers are given. Photographic reproductions of gardens are shown.

THEY DODGE ISSUE

HOUSE WOULDN'T VOTE TO CONDEMN SENATOR STONE.

POSTPONE THE MATTER

State-wide Prohibition Will Be Voted On in November, 1918, According to House Today.

Special to Democrat-Forum.

Jefferson City, Mo., Mar. 8.—After the stormiest debate of the session, the House today dodged the issue between voting confidence in Senator Stone for his recent split with the President and of voting condemnation of the Senator for his misuse of the confidence placed in him by the people of Missouri.

The motion made by the Democratic floor leader, Farris, to postpone the entire matter until April first, when the legislature shall have adjourned, was carried by a vote of fifteen to twenty-six.

A state-wide vote on prohibition was practically assured as a result of the House passing a resolution to submit the question to the people in November, 1918. A similar resolution is ready for passage by the Senate whenever the matter is called up.

Jefferson City, Mar. 8.—A measure providing that men and women not promptly paid for services rendered and in the event of their being discharged their stipends will be forthcoming within 24 hours, is now pending before both houses of the legislature.

The measure is backed by the legislative committee of the State Federation of Labor and other union labor organizations represented here.

William H. Lewis, state labor commissioner, has issued a statement urging speedy passage of the measure. Mr. Lewis declared that recent complaints to the Bureau of Labor statistics from employees unpaid for their work, when discharged, and the fact that most of the workers are badly in need of their earnings for food and shelter, especially during the cold winter months, caused him to go into details on the possibilities of bringing about the enactment of legislation to relieve the suffering of many toilers.

The act, now pending in the legislature, requires corporations, companies and individuals employing labor in this state to pay discharged workers all wages due them within 24 hours after a demand is made for the sum due. Failure of an employer to pay in this case, the measure provides, entitles the employee to a continuation of pay for 30 more days from the day of discharge, unless suit be instituted by the plaintiff within that time.

The employers are not subject to fine or imprisonment for failure to comply with the law.

HAZEL DAWN AT THE EMPIRE

Will Appear With Owen Moore in the Great Stage Triumph, "Under Cover."

"Under Cover," the great drama which scored an unprecedented success at the Cort Theatre, New York, has been chosen by the Famous Players Film company as an ideal vehicle for the first appearance of Hazel Dawn and Owen Moore as co-stars in its productions. This remarkable drama, by Roi Cooper Megrue, will appear on the Paramount program at the Empire Theatre tonight.

Though this is the first time that Miss Dawn and Mr. Moore have ever starred together, it is not, of course, their initial appearance in Famous Players pictures. Miss Dawn last starred in "The Feud Girl," and it will be remembered that Mr. Moore appeared in support of Mary Pickford in several of her first protoplays after she became a great star in the production of the pioneer feature concern.

Mrs. R. F. Hamblin returned Wednesday noon from a six week's visit in Houston, Galveston and other Texas points. Mrs. Hamblin will leave shortly for Bushnell, Ill., where she will visit her nephew and wife, Mr. and Mrs. Blake Alexander. Mrs. Hamblin went on to California, from Texas.

Among the Maryville people to go to St. Joseph today were: Mr. and Mrs. Frank Barmann, Sam Townsend, M. E. Ford, O. L. Holmes, Lieber Holmes, G. L. Wiffley, J. S. Shinabargar, George McMurtry, John Clarey, and Jim Carpenter.

C. H. Beatty of Jonesville, Ky., is visiting in Maryville with his daughter Mrs. Warren Spoor.

THE SHROYER WILL FILED

All Property Left to Wife, Children and Grandchildren—Gilliam-Jackson Company Executors.

The will of John Wesley Shroyer, who died at his home in Maryville on February 17, was filed in the probate court today. Mr. Shroyer named the Gilliam-Jackson Loan & Trust company as executors. The terms of the will were as follows:

All of the real estate excepting that disposed of in the will is to be sold at the discretion of the executor, and \$7,500 of the money is to be used to create a trust fund, the interest of which is to be given to Francis B. Shroyer, his wife. In case of her death one-half of the interest will be given to Mr. Shroyer's daughter, Jennie Thompson, or her heirs and one-half to his other daughter, Lucy Jones and in case of her death to her husband, J. R. Jones. At the death of Mr. Jones this share is to go to Jennie Thompson or her heirs.

The household goods, furniture, \$500 and lots 7 and 8 in Torrance addition were bequeathed to his wife, Francis B. Shroyer.

The grandchildren, Frankie Thompson, Henry Thompson and Arthur Thompson were each given \$1,000.

Lots 7 and 8 in Torrance addition were also willed to Jennie Thompson and Lucy Jones, the two daughters, together with any other property or money that might be left after the other terms of the will were carried out.

Martin A. Lewis and Horace C. Smith witnessed the will.

LIKES ARMY LIFE FINE

Harry Allen Enthusiastic Over Treatment at Jefferson Barracks—Wants Others to Come.

Harry C. Allen, who left last week for Jefferson Barracks to join the United States army writes a letter to the recruiting station saying that he likes army life fine and is anxious to see some of the other boys join the army. His letter follows:

"Recruiting Station, Maryville, Mo.:
"Dear Sirs:—Arrived in good shape and passed all examinations. Am ready for service now. This is a fine place, comfortable as can be and if this is the worst of it, what is the best? I sure want to get there and get there quickly. I am not kidding when I say this, for I mean it, and every one here will say it with me. Everybody is happy and having a good time. I would like to see some of the boys come here and enjoy themselves.

"We have had a skating rink and now we are playing baseball. It may be a little early for baseball, but we play anyway. Then we have a free picture show, where we can go evenings free of charge.

"We have a gymnasium where we can spend our time taking any kind of exercise we like. However, you get enough exercise while drilling to last you through the day, but not enough to hurt you. It does you good and makes you enjoy life more.

"I must close as it is almost time for mess and that is something I don't care to miss. Tell the boys to come on. It won't hurt them and will do them a lot of good. With hopes of seeing some of the home boys soon, I am, Respectfully,

"Harry Allen."

IN MEMORIAM.

In loving remembrance of our dear sister, Mrs. Annie Murrin, whose death occurred February 15, 1917, at her home on East Sixth street.

Little did we think when last we met at the home of Mrs. Charles O'Neal's on February 7, that so soon one of our number should be called to go, yet we all knew that Mrs. Murrin was not in the best of health, but she was always so bright spirited, so cheerful and so happy, that we could not believe, ere we met again, that she should be taken and when the message came that she was no more, it cast a sad gloom of despair over our little circle.

While our hearts are sad and we sincerely mourn the death of our dear sister, we commend her spirit to our kind Heavenly Father, who so tenderly cares for us all, and who will at last gather all his children unto that "home beyond."

"He sees when their footsteps falter, When their hearts grow weak and faint.

He marks when their strength is falling, Though there be no word of complaint.

He bids them rest for a season, For the pathway has grown too steep, And folded away in green pastures, He giveth His loved ones sleep."

Whereas, the messenger of death has invaded our Penelope club and severed a link in the golden chain, summoning from time to eternity our beloved sister, therefore be it

Resolved, that we renew our fidelity to the club, she loved, that her memory will ever be kept fresh and bright in our hearts and her vacant chair will remind us that another link has dropped from our chain.

Resolved, that our hearts go out in tender sympathy to the bereaved family and that while we fondly cherish the memory of our departed sister, we will not forget those she loved.

Resolved, that these resolutions be spread upon the minutes of our Club

and that copies be furnished the family.

YOUTHFUL STYLES

THE style trend this spring is to give the wearer of Coats and Suits the youthful appearance. The woman who has not had an opportunity to investigate the newer spring offerings, will find this store the most delightful and dependable fashion text book.

It is not a rare thing to have our customers remark about the extraordinary values we are showing this spring in coats and suits. These are not only extraordinary in quality, but in style and colorings as well. This is because we specialize on merchandising rather than shop-keeping. We buy liberally, but intelligently, and pass on to the consumer the savings resulting from our prudence.

Youth demands color, life, recreation—which makes sport models decidedly prominent this season. This too, is a reason for the wonderful array of colors that is shown this spring—gold, rose, pearl, apple, wild rose, rookie, Navy and begonia are all among the new shades for coats and suits.

Many suits are made with variations of pleats and gatherings, confining the fullness. There is a great deal of buttons used in trimmings, and also stitching of contrasting colors is a very attractive trimming.

The coats are both loose-hanging and belted effects, with a great variety of belts and partial belts. The sport coats are designed on

straight lines with belted effects, set-in sleeves, sloping shoulders and large collars.

Materials for coats and suits are especially interesting in their variety. Worsted jersey, velours, gabardines, Poirer twills, serges, crases, mixtures and tweeds are all very prominent in the new spring creations.

Many are making their spring selections early, as they have come to realize that they can buy the new styles early just as cheaply as six or eight weeks later, and they can have all the pleasure of this additional period of service without any added expense.

Other New Arrivals

We are now displaying new assortments of silk dresses and spring millinery. The dresses are of taffeta, crepe de chine and crepe meteor and they are in a variety of the new colorings. Normal, and even occasionally a slightly raised waistline, are features of these new dresses. The waistline is indicated rather than defined and are in a semi-fitted effect. Many skirts are pleated but hang straight. Thus is the long-line appearance of youth obtained.

The very latest modes in spring millinery is in this first showing. So varied are the shapes, the trimmings, the materials, the colorings, that it is possible for any woman to select styles that will reflect her personality and assure her of becomingness. The small shapes are a strong favorite for early spring wear.

Come in and try on These New Modes Whether Interested in Buying at Present or Not—We will count it a privilege to show you.

This is New Clothes Weather

And if you are looking for new things, our beautiful showing of Suits and Coats in all the latest designs and models must prove of greatest interest to you. In fact we feel that never before have the coloring and designs been so attractive and original.

Then in the necessary accompaniments we offer you the opportunity of selecting from an unusually large and desirable display of Silks. You can hardly appreciate this until you have actually made a visit to our store and seen them.

We are sure that you will agree that we are exceptionally well prepared to fill your every want in New Spring Clothing.

With Easter

The real time for coming out in the latest, only a few weeks away you should act quick to obtain the advantage of first choice.

BUHLER AND PEARSON COLLECT LARGE SUM FOR BAND.

ARE ELATED OVER START

Feel That Balance of the Sum Needed To Keep Military Band Will Be Given Readily.

W. C. Pearson and Charles Buhler, the two members of the committee appointed by E. E. Williams to collect money for the purpose of keeping the Fourth Regiment band here, worked a few hours yesterday afternoon and stowed away the neat little sum of \$500 in the treasury. Every business house visited showed the greatest inclination to support the band and the committee is highly elated over its success. The members feel that the money to pay Bandmaster Maulding and his son Harold, will be raised in a short time.

The following business concerns have contributed:

Farmers Trust Company, Nodaway Valley Bank, First National Bank, Real Estate Bank, D. R. Eversole & Son, Alderman-Yehle Dry Goods Company, H. L. Raines, N. Schumacher, F. P. BEST TAX COLLECTOR EVER

Dave Reynolds of Washington Township, Got All But \$9 of What Was Owed to the County.

When Dave Reynolds, the good natured tax collector of Washington township, came to Maryville the other day to have the county court examine his books, he wore a pleased look and Judge Blackford of the county court had a smile as broad as the rim of that good old black hat with which he drapes his countenance. To tell the truth, Dave had the goods and he showed his wares to the court. He had made a clean sweep of the real estate tax of his township and had gotten all but \$9 of the personal tax. A few small fry had gotten away from Dave's hook, by moving away, dying, etc. It is believed that this is the record collection for Nodaway county, at least for many years. Reynolds has been collector of Washington township for four years. He is a Spanish-American war veteran and should your Uncle Sam again need his services, private Reynolds can be found at his usual place of abode until the first call comes and then again the old flag, the old camp life and everything else that may happen along. "Washington, first in war, first in peace," and Reynolds first in taxes.

NEW PAMPHLETS ISSUED

2,000 Folders On Civic Beautification Ready for Distribution in the Maryville Homes.

The third neighborhood meeting of Maryville beautifiers was attended by a large number at the home of Miss Lucie Davis last night. The stereopticon lecture by Prof. C. C. Leeson and the talk by Secretary Claypool were enjoyed by those present. A round table discussion on the various methods of successful planting followed.

In connection with the movement for home beautification the committee has issued 2,000 pamphlets treating with the selection of suitable shrubs for planting. These pamphlets will be available at the Maryville Public Library, at the Commercial Club office, at the Schools, at the court house and at the City Hall. They contain a short discussion of Civic Beauty, a resume of the principles of ornamental planting, a list of hardy plants for the permanent ornamentation of the home grounds, and a list of common perennials that may be started from seed. The list of literature on Ornamental planting at the City Library is also printed on the folder. It is the aim of the Beautification committee to place one of these folders in every Maryville home, so that the spring planting will be started according to the most approved principles.

WHAT'S IN THE LIBRARY

Miss Langan Gives Resume of Books On Gardening For the Benefit of Home Owners.

Miss Grace Langan, librarian, has prepared a review of the new garden books in the Maryville Public Library in order to inform the persons interested in gardening on the contents of the books. Here is the list:

Baker, T., "Yard and Garden." A good, general, popular treatment of the planting and care of trees, shrubs, plants and vines in the small grounds of a town or city home.

Bailey, L. H., "Manual of Gardening." Authoritative, practical handbook for amateurs; well illustrated. Gives growing of ornamental plants, classes of plants, and lists. Also the growing of the fruit and vegetable plants, and the protection of plants from things that prey upon them.

Robinson, C. M., "The Improvement of Towns and Cities." Gives general statement of problems of civic esthetics and the known ways of solving them.

Farwell, P. T., "Village Improvement." Meets the demand for practical up-to-date information on the organization, methods and proper activities of village improvement associations, by giving a straightforward account of the organization and special achievements of such associations throughout the country. The author is chairman of the village improvement committee of the Massachusetts Civic League.

Maynard, S. T., "Landscape Gardening as Applied to Home Decoration." Treats the garden as a setting for a home, rather than for its intrinsic beauty. Plans for walks, drives, vistas, arbors, etc., and lists of shrubs and flowers are given. Photographic reproductions of gardens are shown.

THEY DODGE ISSUE

HOUSE WOULDN'T VOTE TO CONDEMN SENATOR STONE.

POSTPONE THE MATTER

State-wide Prohibition Will Be Voted On in November, 1918, According to House Today.

Special to Democrat-Forum.

Jefferson City, Mo., 8.—After the stormy debate of the session, the House today dodged the issue between voting confidence in Senator Stone for his recent split with the President and of voting condemnation of the Senator for his misuse of the confidence placed in him by the people of Missouri.

The motion made by the Democratic floor leader, Farris, to postpone the entire matter until April first, when the legislature shall have adjourned, was carried by a vote of fifteen to twenty-six.

A state-wide vote on prohibition was practically assured as a result of the House passing a resolution to submit the question to the people in November, 1918. A similar resolution is ready for passage by the Senate whenever the matter is called up.

Jefferson City, Mar. 8.—A measure providing that men and women not promptly paid for services rendered and in the event of their being discharged their stipends will be forthcoming within 24 hours, is now pending before both houses of the legislature.

The measure is backed by the legislative committee of the State Federation of Labor and other union labor organizations represented here.

William H. Lewis, state labor commissioner, has issued a statement urging speedy passage of the measure. Mr. Lewis declared that recent complaints to the Bureau of Labor statistics from employees unpaid for their work, when discharged, and the fact that most of the workers are badly in need of their earnings for food and shelter, especially during the cold winter months, caused him to go into details on the possibilities of bringing about the enactment of legislation to relieve the suffering of many toilers.

The act, now pending in the legislature, requires corporations, companies and individuals employing labor in this state to pay discharged workers all wages due them within 24 hours after a demand is made for the sum due. Failure of an employer to pay in this case, the measure provides, entitles the employee to a continuation of pay for 30 more days from the day of discharge, unless suit be instituted by the plaintiff within that time.

The employers are not subject to fine or imprisonment for failure to comply with the law.

HAZEL DAWN AT THE EMPIRE

Will Appear With Owen Moore in the Great Stage Triumph, "Under Cover."

"Under Cover," the great drama which scored an unprecedented success at the Cort Theatre, New York, has been chosen by the Famous Players Film company as an ideal vehicle for the first appearance of Hazel Dawn and Owen Moore as co-stars in its productions. This remarkable drama, by Roi Cooper Megrue, will appear on the Paramount program at the Empire Theatre tonight.

Though this is the first time that Miss Dawn and Mr. Moore have ever starred together, it is not, of course, their initial appearance in Famous Players pictures. Miss Dawn last starred in "The Peud Girl," and it will be remembered that Mr. Moore appeared in support of Mary Pickford in several of her first protoplays after she became a great star in the production of the pioneer feature concern.

Mrs. R. F. Hamblin returned Wednesday noon from a six week's visit in Houston, Galveston and other Texas points. Mrs. Hamblin will leave shortly for Bushnell, Ill., where she will visit her nephew and wife, Mr. and Mrs. Blake Alexander. Mrs. Hamblin went on to California, from Texas.

Among the Maryville people to go to St. Joseph today were: Mr. and Mrs. Frank Barmann, Sam Townsend, M. E. Ford, O. L. Holmes, Lieber Holmes, G. L. Wilfley, J. S. Shinabargar, George McMurry, John Clarey, and Jim Carpenter.

C. H. Beatty of Jonesville, Ky., is visiting in Maryville with his daughter Mrs. Warren Spoor.

THE SHROYER WILL FILED

All Property Left to Wife, Children and Grandchildren—Gillam-Jackson Company Executors.

The will of John Wesley Shroyer, who died at his home in Maryville on February 17, was filed in the probate court today. Mr. Shroyer named the Gillam-Jackson Loan & Trust company as executors. The terms of the will were as follows:

All of the real estate excepting that disposed of in the will is to be sold at the discretion of the executor, and \$7,500 of the money is to be used to create a trust fund, the interest of which is to be given to Francis B. Shroyer, his wife. In case of her death one-half of the interest will be given to Mr. Shroyer's daughter, Jennie Thompson, or her heirs and one-half to his other daughter, Lucy Jones and in case of her death to her husband, J. R. Jones. At the death of Mr. Jones this share is to go to Jennie Thompson or her heirs.

The household goods, furniture, \$500 and lots 7 and 8 in Torrance addition were bequeathed to his wife, Francis B. Shroyer.

The grandchildren, Frankie Thompson, Henry Thompson and Arthur Thompson were each given \$1,000.

Lots 7 and 8 in Torrance addition were also willed to Jennie Thompson and Lucy Jones, the two daughters, together with any other property or money that might be left after the other terms of the will were carried out.

Martin A. Lewis and Horace C. Smith witnessed the will.

LIKES ARMY LIFE FINE

Harry Allen Enthusiastic Over Treatment at Jefferson Barracks—Wants Others to Come.

Harry C. Allen, who left last week for Jefferson Barracks to join the United States army writes a letter to the recruiting station saying that he likes army life fine and is anxious to see some of the other boys join the army. His letter follows:

"Recruiting Station, Maryville, Mo.:

"Dear Sirs:—Arrived in good shape and passed all examinations. Am ready for service now. This is a fine place, comfortable as can be and if this is the worst of it, what is the best? I sure want to get there and get there quickly. I am not kidding when I say this, for I mean it, and every one here will say it with me. Everybody is happy and having a good time. I would like to see some of the boys come here and enjoy themselves.

"We have had a skating rink and now we are playing baseball. It may be a little early for baseball, but we play anyway. Then we have a free picture show, where we can go evenings free of charge.

"We have a gymnasium where we can spend our time taking any kind of exercise we like. However, you get enough exercise while drilling to last you through the day, but not enough to hurt you. It does you good and makes you enjoy life more.

"I must close as it is almost time for mess and that is something I don't care to miss. Tell the boys to come on. It won't hurt them and will do them a lot of good. With hopes of seeing some of the home boys soon. I am, Respectfully,

"Harry Allen."

THE STORE THAT HAS IT CHEAPER.

IN MEMORIAM.

In loving remembrance of our dear sister, Mrs. Annie Murrin, whose death occurred February 15, 1917, at her home on East Sixth street.

Little did we think when last we met at the home of Mrs. Charles O'Neal on February 7, that so soon one of our number should be called to go, yet we all knew that Mrs. Murrin was not in the best of health, but she was always so bright spirited, so cheerful and so happy, that we could not believe, ere we met again, that she should be taken and when the message came that she was no more, it cast a sad gloom of despair over our little circle.

While our hearts are sad and we sincerely mourn the death of our dear sister, we commend her spirit to our kind Heavenly Father, who so tenderly cares for us all, and who will at last gather all his children unto that "home beyond."

"He sees when their footsteps falter, When their hearts grow weak and faint.

He marks when their strength is failing, Though there be no word of complaint.

He bids them rest for a season, For the pathway has grown too steep, And folded away in green pastures, He giveth His loved ones sleep."

Whereas, the messenger of death has invaded our Penelope club and severed a link in the golden chain, summoning from time to eternity our beloved sister, therefore be it

Resolved, that we renew our fidelity to the club, she loved, that her memory will ever be kept fresh and bright in our hearts and her vacant chair will remind us that another link has dropped from our chain.

Resolved, that our hearts go out in tender sympathy to the bereaved family and that while we fondly cherish the memory of our departed sister, we will not forget those she loved.

Resolved, that these resolutions be spread upon the minutes of our Club

and that copies be furnished the family.

Mrs. Dan R. Baker, Mrs. Gallatin Craig, Mrs. J. Ed Costello, Committee.

Herbert Leonard and Mr. and Mrs. Willard Carpenter of Burlington Junction were among the out-of-town people in Maryville yesterday.

YOUTHFUL STYLES

THE style trend this spring is to give the wearer of Coats and Suits the youthful appearance. The woman who has not had an opportunity to investigate the newer spring offerings, will find this store the most delightful and dependable fashion text book.

It is not a rare thing to have our customers remark about the extraordinary values we are showing this spring in coats and suits. These are not only extraordinary, in quality, but in style and colorings as well. This is because we specialize on merchandising rather than shop-keeping. We buy liberally, but intelligently, and pass on to the consumer the savings resulting from our prudence.

straight lines with belted effects, set-in sleeves, sloping shoulders and large collars.

Materials for coats and suits are especially interesting in their variety. Worsted jersey, velours, gabardines, Poirer twills, serges, crases, mixtures and tweeds are all very prominent in the new spring creations.

Many are making their spring selections early, as they have come to realize that they can buy the new styles early just as cheaply as six or eight weeks later, and they can have all the pleasure of this additional period of service without any added expense.

Other New Arrivals

We are now displaying new assortments of silk dresses and spring millinery. The dresses are of taffeta, crepe de chine and crepe meteor and they are in a variety of the new colorings. Normal, and even occasionally a slightly raised waistline, are features of these new dresses. The waistline is indicated rather than defined and are in a semi-fitted effect. Many skirts are pleated but hang straight. Thus is the long-line appearance of youth obtained.

The very latest modes in spring millinery is in this first showing. So varied are the shapes, the trimmings, the materials, the colorings, that it is possible for any woman to select styles that will reflect her personality and assure her of becomingness. The small shapes are a strong favorite for early spring wear.

Come in and try on These New Modes Whether Interested in Buying at Present or Not—We will count it a privilege to show you.

This is New Clothes Weather

And if you are looking for new things, our beautiful showing of Suits and Coats in all the latest designs and models must prove of greatest interest to you. In fact we feel that never before have the coloring and designs been so attractive and original.

Then in the necessary accompaniments we offer you the opportunity of selecting from an unusually large and desirable display of Silks. You can hardly appreciate this until you have actually made a visit to our store and seen them.

We are sure that you will agree that we are exceptionally well prepared to fill your every want in New Spring Clothing.

With Easter

The real time for coming out in the latest, only a few weeks away you should act quick to obtain the advantage of first choice.

A new kind of cigarette enjoyment

Up to lately, smokers have been content if a cigarette tasted all right.

But this Chesterfield Cigarette, besides pleasing the taste, does a new and important thing for smokers—

Chesterfields let you know you are smoking—they "SATISFY"! And yet, they're mild!

The blend does it—it's the new proportioning of high-quality tobaccos. Such costly Imported and Domestic tobaccos have never yet been blended in any cigarette at anywhere near the price. And the blend can't be copied.

It takes the cigarette itself to prove all this. So try Chesterfields. Today.

DON'T TAKE A CHANCE.

Maryville People Should Act in Time.
If you suffer from backache;
If you have headaches, dizzy spells;
If the kidney secretions are irregular.

Don't delay—likely your kidneys are sick.
Maryville people recommend Doan's Kidney Pills.

Here's a Maryville woman's experience: Mrs. J. Carter, 622 N. Walnut street, Maryville, says: "As well as in cases of others in my family, Doan's Kidney Pills have proven a successful medicine with me in removing congestion of the kidneys and stiffness in the back. Doan's Kidney Pills gave results in all cases that lead me to recommend them to others."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Carter had. Foster-Milburn Co., Props., Buffalo, N. Y.
